

MORE WIND IN AQUARIUS' SAILS AS NEW TOUR COMMENCES TO THE OUTER GREAT BARRIER REEF

Port Douglas, 21th April, 2017 - Tropical Journeys continues to be one of the leading providers of personalised and individual outer reef and rainforest experiences following the new destination for the luxurious "Aquarius".

SV Aquarius is a French Lagoon 620 that was launched in Port Douglas in 2010. SV Aquarius has spent the last seven years sailing to Low Isles with small groups of 23 guests. Now, SV Aquarius has a new destination - the Outer Great Barrier Reef.

This exciting new tour is the only outer reef experience on a sailing vessel departing from Port Douglas. Aquarius will set sail for a two hour relaxing journey to Horseshoe Bay at Tongue Reef. Once moored, guests will enjoy exploring the coral gardens with our experienced crew on a guided snorkel tour or a coral viewing boat which is available for non-swimmers. A delicious lunch will be served on board and guests will have the opportunity to snorkel again before sailing back to Port Douglas.

Aquarius is the ultimate vessel to charter privately with a group of friends, a large family or corporate groups. Enjoy the large spacious foredeck or relax on daybeds under the sails while gently travelling to the outer reef for a great snorkelling adventure.

Aquarius sailing to the outer reef will board at 8:20am, depart The Reef Marina at 8:45am and return back at approximately 4:00pm. Aquarius will still operate a Twilight Sail in the late afternoon.

For Low Isles, Tropical Journeys has four options for guests interested in experiencing the picturesque coral cay. Calypso Reef Cruises operate half day tours to the island. Two departures daily, guests will experience the calm lagoon and island when there are few or no other tourists in the area.

About Aquarius

Aquarius Sail & Snorkel is proud to be one of the products under the Tropical Journeys banner. Together with Calypso Reef Cruises, Daintree Tours, Escape Charters, Aquarius is owned and operated by the Jones family.

Aquarius has been operating reef cruises to Low Isles since 2010, and has become known for its luxurious vessel as well as its commitment to providing the most enjoyable and personalised Low Isles tours in Australia.

With Graham and Cathie Jones and their three sons all heavily involved with the general day-to-day running of the business, the team at Aquarius offers only the highest level of professionalism and friendliness.

All Tropical Journeys products uphold the highest environmental best practice standards, contributing to the company's ongoing recognition as a provider of Advanced Eco Tourism.

Each of the products offer visitors to the Great Barrier Reef an unforgettable experience that has minimal impact to the reef environment, is educational and relaxing while ensuring a safe and friendly environment.
